

This is to certify that
Client Managers Toolkit Ltd

Welland House, Meteor Court, Barnett Way, Barnwood, Gloucester, GL4 3GG

Has been assessed
by Duncan Winfrey for Info-Assure Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials PLUS

Scope: Client Managers Toolkit systems covering secure.cemar.co.uk, Perimeter Network and Office Workstations

Certification date: September 28th, 2016

Recommended re-assessment date: **September 27th, 2017**

Certificate no.: 9060731071522756

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
